

FAR Part 141 Approved

PRIVATE PILOT GROUND SCHOOL

Classes Begin: November 1 and December 3, 2011

Course Dates:

November: 1, 3, 5, 8, 10, 12, 15, 17, 19, 22 & 26
(Tue., Thu., and Sat. of each week)

December: 3, 5, 7, 10, 12, 14, 17, 19, 21 & 28
(Mon., Wed., and Sat. of each week)

Class hours:

Weekday evenings: 6:00 pm - 9:00 pm
Weekend days: 8:00 am - 5:00 pm

Attendance is limited. Advance registration is required.

Tuition:

\$495* Student Pilot

\$295** Private Pilot refresher course

Who can benefit:

Anyone seeking a thorough understanding of the essential topics required to become a safe and confident pilot. Student Pilots who have already begun their flight training will find our course a stimulating way to prepare for the Private Pilot Knowledge Test.

Any Private Pilot in need of a comprehensive review and update of the critical and changing information needed to be a confident, competent pilot. Pilots taking the course as a refresher may attend as many or as few sessions as they wish.

Wings Aloft is an FAA-approved Part 141 flight school that offers comprehensive ground and flight instruction for all certificates and ratings.

Our professional flight instructors have a wide range of aviation experience and backgrounds, allowing you to find an instructor who fits your learning style and who can help you achieve your goals.

Wings Aloft is also a computerized FAA knowledge Test Center, featuring *instant test score results*.

To schedule your FAA written today, call PSI/LaserGrade at 1-800-211-2754

*Course tuition must be paid by first class session.

**Refresher attendees may attend all or selected portions of class, as desired.
